I am confused. we should chat. It was my understanding that the Gateway BID funds its own placement of trash cans and the pick up services. We have other areas in the district that don't have BIDS that also need trash cans..

Yes, we do. This 311 system does not work for requests that are out of the ordinary. The only alternative is to go through the council office for special requests which seems like a lot of work for you guys.

Good afternoon Omar, I made mention of this prior but we are trying to secure a couple of city trash cans for Zone 2. Laurie and I have tried and keep running in to closed doors. Would you see if you could perhaps direct me in the right place please. We will service the cans if the city would just provide them to us, thanks
